

100 Club AUGUST 6TH Draw

Dear All

Who says lightning never strikes twice !

Mike Kennedy who won last month's 2nd prize, has just become our first person to win two prizes. He has once again scooped 2nd prize this month !

Again all three of this month's winners, were non club members and I would like to re-iterate my thanks for theirs' and all your continued support of the 100 Club.

Jokingly, before I hear shouts of "fix etc". this month's draw was performed by the Grasshoppers, i.e. in the presence of 20+ old "coppers", so I think we can safely say all was fair and square !

First Prize this month went to John Coldstream.

John is a local resident who lives just outside the park and is a stalwart of the Friends of Priory Park group and both he and his wife are very supportive of our plans for the new pavilion.

1st Prize : £225 – John Coldstream

2nd Prize: £135 – Mike Kennedy

3rd Prize : £45 - Matt Kinley

A big welcome to **Chris Tandy** who became our 95th member just in time for August's draw.

I'm waiting to receive two applications for another couple of people which will take us to 97, so only 3 more spaces left to fill.

It would be fantastic if we can sell these last 3 spaces in time for September's draw and reach the magic 100 and be able to give out the maximum prizes of

£250, £150 & £50
